SIMAU

***Seminar of CHEMICAL-ENVIRONMENTAL AND SANITARY
ENGINEERING SIMAU Department – Marche Polytechnic
University – 03 DECEMBER 2024***

Giovanni De Feo teaches Industrial Ecology in the Masters Degree programs in Chemical Engineering and Management Engineering within the Department of Industrial Engineering (DIIn) at the University of Salerno. His research activities focus on Life Cycle Assessment (LCA), waste management, circular economy, and environmental communication. He serves as an Editor for the journal Water Supply and is the initiator and promoter of the environmental education project Greenopoli. In 2018, he received the Environmentalist of the Year - Luisa Minazzi Award.

11.30-12.30 Department SIMAU – Internal Room Q155

***"Innovative Approaches to Sustainability:
Life Cycle Assessment, Waste Management,
and Environmental Education"***
