

SUNRISE Seminar

SUN
RISE

15 Aprile  14.00-15.30

Online ([link](#))

Bilateral SUNRISE seminar:

**Focus on industrial engineering to boost
long term collaboration with
Technische Universität Ilmenau - Germany**

Funded by
the European Union

AGENDA

Prof. Gabriele Comodi, Prof. Francesco Fatone
Università Politecnica delle Marche (UNIVPM)

“Introduction on SUNRISE Seminars”

Prof. Michele Germani, Prof. Francesco Fatone
Università Politecnica delle Marche (UNIVPM)

“Presentation of the speaker - Prof. Jean-Pierre Bergmann”

Prof. Jean-Pierre Bergmann

Technische Universität Ilmenau (TU Ilmenau)

“Presentation of Ilmenau laboratories”

*“Ongoing projects and collaboration opportunities (with
concrete examples)”*

Prof. Francesco Fatone, Prof. Gabriele Comodi
Università Politecnica delle Marche (UNIVPM)

*“Discussion (with proposals from the most interested UNIVPM professors)
and announcement of the bilateral workshops that will take place within
the SUNRISE framework”*

SPEAKER

Prof. Jean-Pierre Bergmann

Full Professor at Technische Universität Ilmenau

Production Technology Group

- Over 400 publications in journals and proceedings
 - Over 23 supervised doctoral thesis
- Over 50 research projects as principal investigator

Academic qualifications

- Mechanical Engineering graduate from Università Politecnica delle Marche
 - PhD at the University of Bayreuth, Germany
- Habilitation in Production Technology at TU Ilmenau

Current activities in the Research System

Member of:

- DFG (German research foundation) Committee on Scientific Instrumentation and Information Technology
 - German scientific Welding Society WGF e.V.
- German Scientific Society Laser Technology and Photonics WLT e.V. and its Board
 - Acatech (German Academy of Science and Engineering)
 - Machining Working Group (AG Zerspanung)
- Research Council of the Research Association of the German Association for Welding and Allied Processes
 - Saxon Academy of Sciences in Leipzig

Chairman of:

- Subcommission IX-NF within the International Institute of Welding (IIW)
- Examination Board at the Faculty of Mechanical Engineering at the TU Ilmenau

Reviewer for:

- IGF Programme of the German federal ministry of Economics Affairs and climate Action
